## REMEMBER: STOP YOUR METER WHEN USING PARKMOBILE

Parkmobile's new Pay-As-You-Go feature allows you to use the app to pay for the exact amount of time you are parked in a spot. However, once you start the timer the only way you can end it is by manually stopping the timer. Parkmobile is not affiliated with the City of Bloomington, so no refunds can be given for those who pay for more time than the time actually spent parked.

## SPECIAL PARKING PERMITS

Special circumstance parking permits are available to allow parking at metered spaces for limited time periods.

- Delivery driver permits
- Entertainment, tour or passenger bus permits (also called "special event" permits)
- Contractor construction permits

For fee and application details about these special permits, or to inquire about other permitting needs, contact Customer Service at 812.349.3400.
